Neotherix is currently situated within the Smith & Nephew Research Centre building in York. The Research Centre is located on York Science Park, adjacent to the University of York Chemistry Department.

A map and directions are also available on our web site (<http://www.neotherix.com/contact.php>).

Map of York, Showing Location of York Science Park:

**From the South/A1(M)**, leave the A1(M) at junction 45, following the signs to York. Continue on the A64 for 16 miles (26 km).

**From the North/A1(M)**, leave the A1(M) at junction 47, following the signs to York. Continue on the A59 for 10 miles (16 km), and then at the roundabout take the third exit onto the A1237 (on the right). Follow the A1237 South until the junction with the A64. Join the A64 using the first exit from the roundabout. Follow the A64 for 7 miles (11 km).

**Then in both cases**, leave the A64 at the junction with the A1079 (after the junction with the A19). At the roundabout, take the first exit and follow the A1079 towards York. At the next roundabout, take the first exit onto Field Lane (signposted *University/Heslington/Science Park*).

At the next roundabout turn right to continue on Field Lane (signposted *Heslington/Science Park*).

At the traffic lights, turn right onto Church Lane and follow the road around. The entrance to the Research Centre car park is towards the end of the road on the right (red and white barrier). At the barrier, push the button to speak to reception.
